Get to know Jira Core!

Join us for this month's Tech Talk on *Jira Core*, one of the most popular project management software tools.

While earning **1 Technical PDU**, you will learn:

- Intro to Jira Core
- How Jira Core can compliment MS Planner and integrate into MS Teams
- Using Jira Core for project reporting

Our guide to Jira Core is Bob Frank. Bob has served in the IT field as a programmer, systems developer, applications developer, systems analyst, and learning management systems developer.

This event is free for Chapter Members and \$5 for Non-members. Chapter Members: make sure to login to the site before registering to get the Chapter Member pricing.
