Resume workshop and job fair!

We've got two exciting topics on the agenda for tomorrow morning's session! We're starting bright and early at 7:30 am...because we all know about that early bird!

First, learn how to make your resume stand out from the crowd with Steph Cartwright, founder of Off the Clock Resumes. Steph will provide you with a five step formula to kick start career growth. If you're eyeing that next promotion or looking for new opportunities, this session is for you!

Second, Volt is hosting a virtual job fair! Looking for a new, dynamic career as a contract project manager? Volt will discuss current job openings and what it's like to work with them.

This event is free for Chapter Members and \$10 for Non-members. Chapter Members: make sure to login to the site before registering to get the Chapter Member pricing.
