Annual Membership Meeting & Holiday Party

Join us Wednesday, December 15th from 5:15 - 6:30 for a little bit of business and a lot of holiday celebration! We'll cover the annual chapter business including our financial report, and then have some fun. Gather with your project management peers for networking, games, and prizes! All members in attendance will be entered into drawings for some great prizes (must be present to win!). See you on Teams!

This chapter member-only event does not earn PDUs (just the chance for prizes!).

Register

PMIINW is hosting a Toys for Tots drive! Come visit us at Riverfront Park (near the Rotary Fountain) on **December 4th between 9 and 11am**. We'll have coffee and hot chocolate and will be collecting new, unwrapped toys to make the holidays a little brighter for children in our area. We'd love to see you there!

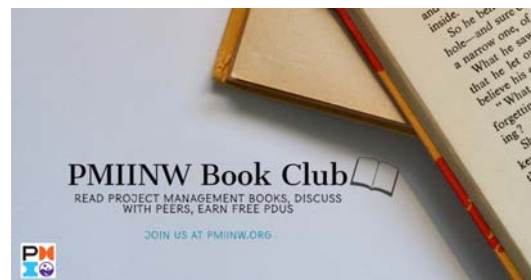

November 16th DA Forum

If your organization is implementing Disciplined Agile (DA), this forum is for you! Meet with other area professionals who are utilizing DA to improve organizational agility.

This month's session focuses on introducing Agile to your PMO and teams. Hear from local professionals who have utilized Agile techniques to improve their projects or operations.

December 2nd Book Club

Join us for book club! We'll be reading *Agile Conversations: Transform Your Conversations, Transform Your Culture* written by Douglas Squirrel and Jeffrey Fredrick. Get a copy of the book (Available at our local [Auntie's Bookstore](#) or at [Amazon](#)) and read by December 2nd, then meet with the group to discuss.

You'll earn 1 PDU for each hour spent reading (which you'll self-report on the PMI website).
